

# Access Statement - Wheat

## Introduction

Nettlecombe Farm is situated in picturesque countryside in a hamlet on the outskirts of the village of Whitwell. Our three fishing lakes are located within Nettlecombe covering an area of 1.5 acres (6,100 m<sup>2</sup>) and are well stocked with carp, roach and trench.

'Wheat' one of the three self-catering farmhouse properties, with accommodation comprising; a welcoming lounge/ diner, kitchen with a fitted kitchen, three bedrooms and a bathroom. The property is warmed by Calor gas central heating. The property benefits from far reaching views across open fields and downs and can be enjoyed from the living area as well as the enclosed garden patio.

Whitwell is approximately 3 miles from the town of Ventnor. In addition, it is about five minutes' drive from the small neighbouring villages of Godshell and Niton.

Whitwell's small size has led it to become a very close-knit community with a range of amenities including a garage, a 700 year old church, the oldest public house on the island, dating back from the 15th century and a post office, which was recently re-located to a new premises inside the church bell tower.

Whitwell is named after the "White Well" located in a small bridleway opposite the church. The well was visited by many during medieval times on pilgrimages due to its healing properties. An annual 'Well Dressing' takes place each summer during the month of August.
